SD Card Module Accessories Micro SD card module SPI interface mini TF card reader

Baby Description:

The module (MicroSD Card Adapter) is a Micro SD card reader module, through the file system and the SPI interface driver, SCM system to complete the file to read and write MicroSD card. Arduino users can directly use the Arduino IDE comes with an SD card to complete the library card initialization and read

Module features are as follows:

- 1 Support Micro SD card, Micro SDHC card (high speed card)
2. -board level conversion circuit, namely the interface level for 5V or 3.3V
- 3 power supply is 4.5V ~ 5.5V, 3.3V voltage regulator circuit board

The communication interface is a standard SPI interface

- 5.4 M2 screw positioning holes for easy installation

Interface Description:

Control Interface: A total of six pins (GND, VCC, MISO, MOSI, SCK, CS), GND to ground, VCC is the power supply, MISO, MOSI, SCK for SPI bus, CS is the chip select signal pin;

3.3V regulator circuit: LDO regulator output 3.3V for level conversion chip, Micro SD card supply;

Level conversion circuit: Micro SD card to signal the direction of converts 3.3V, MicroSD card interface to control the direction of the MISO signal is also converted to 3.3V, general AVR microcontroller systems can read the signal;

Micro SD card connector: self bomb deck, easy card insertion.

Positioning holes: 4 M2 screws positioning holes with a diameter of 2.2mm, so the module is easy to install positioning, to achieve inter-module combination

Welcome to gowin_electronic.

Here you can find items with high quality and best price .

\all items will be tested before shipped. Good quality is the basic of business. we seek for long term .We mainly selling ICs, electronic or electronic modules.PCB board etc

ICs,

ICs business is our basic business. We specialized in ICs for nearly 10 years.

Located in HQB electronic market in SHENZHEN China. We stock ICs ourselves. We are not trader. So you can always find a good price . For Big quantity, please send message to us to get a better price .

Electronic module.

We product modules . work with many big factory directly . they are all big factory , they have QC department, have strict control on unlike the many small factory always selling modules without tested. So we can make sure every module you buy here is with high quality . Best price too . For Big quantity, please send message to us to get a better price .

We also accept OEM or ODM order . if you need to design an module. Please feel free to contact us .

PCB boards

We product module . so work with big PCB factory .

Quality is really good , and price also low price,

Please don't hesitate to send us message for a quote, then you will find we are the right business partner you are looking for . .

Warranty and Guarantee

- **Please buy with confidence.** We specialize in electronic components for more than 10 years.All items will be tested before shipped.
- **We are responsible for mail lost** ,We promise you can get the items you pay or refund.All package need to wait 30 days(To USA, Only need 15days) , Please take care it.Less than 30 days
- **We recommend tracking number** . For orders more than \$25. we provide free tracking number. Orders less than \$25, customer can pay \$3.0 for tracking number Please feel free to contact us if you need.
- **we can accept 14days no-question-return.**

If the item is defect when you receive it or you are not satisfied with it, please return it within 14 days for a replacement or money back..

- [We greatly appreciate your POSITIVE feedback.](#)

Please do NOT leave negative or neutral feedback without any contact.

Shipment

We only ship to Ebay Address, Please Make sure it's 100% right.

The items you ordered will be shipped out in 1 business day by Air Mail

when your payment is clear.

Feedback:

We maintain high standards of excellence **FIVE STAR** and strive for 100% customer satisfaction!

Feedback is very important to us. We request that you contact us immediately BEFORE you give us neutral FB or negative feedback, so that we can satisfactorily address your concerns.

We ensure dispatch the item within 1-2 business days. However, you bought the item from opposite side of the earth, so it needs a little longer time to deliver. Please place order only if you agree with the shipping time and all the terms below.

Customs duty is obligation and liability of a citizen in your country, so buyer should be responsible for any tax and custom duty incurred. Generally, the delay or failure delivery is sometimes caused by the policy of different customs. For example, Laser Pointer is unacceptable in some countries. Therefore, please double check your local customs policy carefully before purchase.

Policies

We are not responsible for any custom duty or import tax. But we will mark the parcel with low value. We will leave POSITIVE FEEDBACK after receiving the payment.

Please contact us if you are not satisfied with the item after receive it.

All messages will be answered within 1 business day. If you do not receive our reply, please kindly re-sent your message and we will reply to you as soon as possible.

Serious Buyer Only! Please place bid only if you agree with all the terms

Contact us

Our office hours are 9:00 am to 6:00 pm, from Monday to Saturday

We applogize for the late reply during the holidays
