Water flow sensor flowmeter Hall flow sensor Water control 1-30L/min 2.0MPa

Good UNO R3 ATmega328P CH340 Mini USB Board for Compatible-Arduino

Item Description

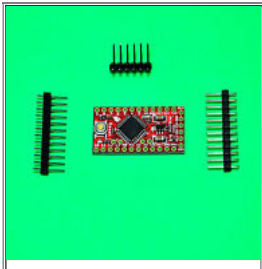

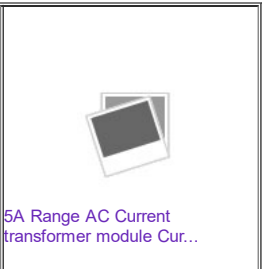

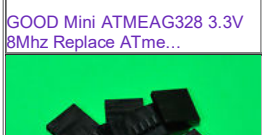

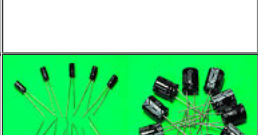

Main Changes from the older version:

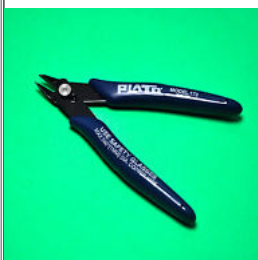

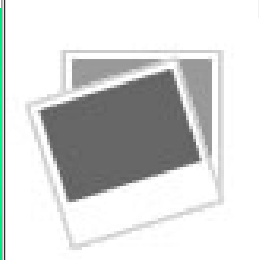

- Add two rows of the holes for the pins. So it can be connected with normal Dubond line.
- Add 3 rows of the holes for wiring.
- Change the in-line package of ATMEGA328P to flat package.
- CH340G Replace ATmega16U2

Plug UNO development board, the driver will automatically install
Select the board UNO inside the die

Select the COM port, this can be a query in my computer, just inside your uno port development boardYou'd better to choose arduino own routine procedures, burn into the board.

Shipping Policy

- Items will be shipped within **3** business days after full payment is received.
- We ship to the address given in eBay by default, unless you inform us another address.
- A notification email of dispatch will be sent when the item is shipped.
- Buy more and save more. When you check out, our system will quote you a combined shipping discount automatically if applicable.
- -----If the **ITEM LOCATION** is **HONG KONG**, please kindly read the following-----
- **Kind reminder 1:** Since we are sending items from China/Hongkong/Singapore throughout the world, please understand that international shipping requires very complicated shipping procedures (such as both countries customs, transit stations etc..). It will probably take longer time than estimated for your items to arrive at the final destination.
- **Kind reminder 2:** Please check the below table to overview details of the shipping service we provide.

eBay Shipping Class	Shipping Carrier - Service Class	Transit Time fm CN/HK	Description	Tracking
Economy Intl Shipping	HK/SG Post - Non-registered Air Mail	15-25 Days	Default free shipping method, Cheapest	No
Standard Intl Shipping	HK/SG Post - Registered Air Mail	15-20 Days	Can be tracked online, a little bit more expensive than non-r	Yes
Expedited Intl Shipping	EMS - Express	5-7 Days	The fastest, the most expensive	Yes

Returns Policy

- We accept all reasonable replacement and refund. Please contact us first for details and trust that we can make you feel satisfied.
- For uninsured item, the oringal shipping fee, handling fee and insurance charge are non-refundable. Buyers are required to bear the return shipping fee and send it back in its original condition within **7** days after item received.
- For insured item, you will get full refund for the reason of **LOST** or **DAMAGE** and the return shipping fee will be paid by the seller.
- Buyers are required to take photos on the damaged item and send the item back within **7** days after item received.
- Return must be shipped via registered air mail to ensure safety.
- Simple inspection when delivering is highly recommended. The recipient has the right to reject to sign for a visible damaged parcel, and request return directly from the courier. It must be without **SIGNED**.

About Us

It is our pleasure to do business with you and make you satisfied.

- We highly appreciate your **Positive Feedback**  with **5-STAR**  on all of the Detailed Seller Ratings (DSR).
- If you are not satisfied, just feel free to contact us first before posting any neutral  , negative  feedback or 1-4  . Nothing is impossible and nothing can not be solved. **Please trust us that any reasonable problem will soon be solved.**
- If you have any questions, please click **About Me** to view our Frequently Asked Questions (FAQ) page or contact us through ebay message. We strive to answer all questions and resolve any problems **within 24 hours**.
- We work 5 days a week. Due to time zone different, our working time is 9:00 am to 6:00 pm (CCT +8:00). You can click below Map on CHINA to check our local service time.
- Feel free to contact us whenever you have any questions, we care about our valued customers and we commit your eBay buying experience a pleasant one.
