csi-web -- Webgränssnittet

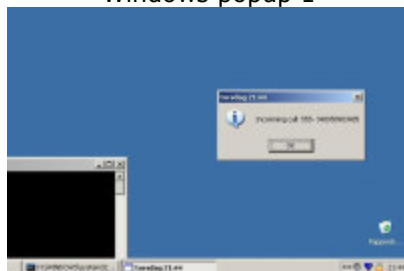

The screenshot shows a web browser window with the title "csi-web -- Webgränssnittet". The browser address bar shows "http://". The main content area displays a table with columns: "Ett", "Namn", "Status", and "Uppdaterat". The table contains multiple rows of data, including names like "Ett", "Namn", "Status", and "Uppdaterat". There are also some input fields and buttons on the right side of the table.
